

# HQS WELLINGTON

AFLOAT FOR A PANORAMIC EVENT  
EXPERIENCE NEAR THE CITY AND WEST END

Step aboard London's only floating livery hall. Part of the nation's heritage, HQS Wellington is a truly marvellous discovery. Moored on Embankment since 1948, opposite Temple tube station, the ship is centrally located and a perfect base for the City and West End.

HQS Wellington is bursting with priceless naval artefacts which emphasise the historic nautical personality of this venue. The ship provides outstanding event and meeting facilities, whether you are organising a summer soirée, annual conference, themed party or a wedding. You can even add a special touch to your event by including a private guided tour.

Renowned City caterer, Chester Boyd is guaranteed to deliver an exquisite dining experience from traditional British menus to contemporary European flavours.
